Celebrating and perpetuating the legacy of Arkady Fomin – a visionary educator, inspiring conductor and violinist extraordinaire.

The Arkady Fomin Scholarship Fund (AFSF) was created in 2015 to celebrate and perpetuate the legacy and spirit of Arkady Fomin – renowned violinist, beloved teacher, conductor, and longtime member of Dallas Symphony. Mr. Fomin leaves behind a formidable legacy of students and colleagues from around the world who recognize his special gift for guiding those who approached him towards finding their way in life and music. His inspiration has touched the lives of hundreds of artists, including many of today’s top performers.

### **Our scholarships**

The AFSF awards educational scholarships to talented college and pre-college musicians from around the world, mentoring their artistic development, and supporting them in the most formative years of their lives – just as Arkady did during his tenures as Artistic Director of the New Conservatory of Dallas and also the Conservatory Music in the Mountains Festival in Durango, Colorado.

Our award stipends are intended to assist the student with their participation in masterclasses or at summer festivals.

Once an award is presented, the AFSF closely follows the student's artistic development for the purpose of providing them with important career connections and guidance.

Additionally, recipients may be invited to participate at the North Shore Chamber Music Festival in Chicago or other events presented by The Music Makers around the world.

### **Selection Process**

AFSF Awards are given on a rolling basis and through a non-competitive process. Interested students of music who would like to apply should prepare the following:

- Biography
- Letter stating specifically what the applicant will accomplish with funds received.
- Letter of recommendation from the applicant’s teacher or mentor.
- Unedited video not longer than 15 minutes of applicant performing repertoire of their choice. The video may be submitted as a web link using Dropbox or Google Drive, a YouTube link, or an attached file.

Applications should be submitted by email, complete with all attachments and links, to: **[office@nscmf.org](mailto:office@nscmf.org)**

**“Arkady knew how to give all of himself to his students, selflessly and wholeheartedly, his belief in the importance of music was inspiring and absolutely contagious. It is up to us to carry the torch that he has lit, and we do it with great pride.” – Vadim Gluzman, violinist**
